# Metro Aviation returns to tradeshow with appearance at APSCON

**28 JUL 2021 – New Orleans, La. –**

Laissez le bon temps rouler! Metro Aviation is letting the good times roll with a return to conventions, beginning with the Airborne Public Safety Convention in New Orleans, LA, July 28-30.

Metro will display the Hillsborough County Sheriff's Office Airbus H125, a mission-ready aircraft equipped with a Goodrich electric-powered rescue hoist, LoJack system integration for the recovery of stolen vehicles, and NVG-compatible avionics.

Metro Aviation is the largest air medical helicopter completion center in the world, and has an impressive roster of law enforcement clients including Hillsborough County, Massachusetts State Police, City of Tulsa Police Department, Texas DPS, and more. The team at Metro's completion center in Shreveport, Louisiana has built a reputation for clean, streamlined installations and an easy completion process.

Metro invites all attendees to their booth, #326, for a taste of New Orleans with the following events:

- Hurricane bar during the opening reception Wednesday evening
- Coffee and beignets before show hours Thursday and Friday
- Hot pretzels and cold beer Thursday at noon

Team members from Metro will be onsite to answer questions about the Hillsborough County Sheriff's Office H125 on display and other completion-related questions.

###

**About Metro Aviation:**

Metro Aviation, Inc., based in Shreveport, Louisiana, United States is a worldwide provider of completion services for all missions and types of helicopters and specializes in the EC135 and EC145 with several Supplemental Type Certificates (STC) developed by the company for these and other aircraft. Metro is an FAA approved repair station, approved Airbus Service Center and FAR Part 135 air medical operations provider at several locations across the United States. The company is privately held and is one of the largest traditional air medical providers in the country.
