

Aero Dynamix, Inc.

FOR IMMEDIATE RELEASE

March 1, 2022

Aero Dynamix Inc. (ADI) today announces another aircraft model and STC added to their long list of NVG certifications. The FAA has issued STC# SR09926AC to ADI for the Sikorsky S-92 Night Vision Compatible Lighting System which is comprised of internal avionics modifications and newly manufactured ELP's. "We are always proud to be able to offer our customers another possible NVIS lighting solution." said Everett Horst ADI's Sr. Sales and Support Manager. "Our team is very proud of this modification and once again provided the superior solution in both night and daytime instrument readability for our customers."
