# SkyeBrowse Testers Wanted

SkyeBrowse is releasing a lot of new tech this year and we're looking for more paid testers.

## Tester Info

Fill out our multiple choice survey for a chance to win an Avata and 6 months of SkyeBrowse Premium. Also looking for testers through this form: https://forms.gle/uc387RTj1L57cB8a7

Looking for drone pilots to test new software from SkyeBrowse! Pay is $30/hour.

Description: Test out our new drone software releases before they become publicly released. Write your findings in our spreadsheet. Previous software QA experience preferred. Need to have at least 2 of the following: DJI drone, Autel drone, iOS, Android, Smart Controller, RC Plus/Pro. Commitment of at least 5 hours of week (and ideally more).

Perks:

- No traveling required — fly in your backyard!
- Take a role in helping build the best software for first responders
- Free SkyeBrowse t-shirt and hat
- Will put your name or company in an easter egg in the SkyeBrowse App
- All testers are entered to win a SkyeBrowse engraved cigar humidor and coaster — handmade by our VP of Business Development, Jeff Clementi!

Fill this form out to get started! https://forms.gle/uc387RTj1L57cB8a7
