

PRESS RELEASE 4/26/2023

**POSEIDON DIVING SYSTEMS APPOINTS HELICOPTER HELMET, LLC AS THEIR
EXCLUSIVE EBS DISTRIBUTOR FOR NORTH AMERICA**

Poseidon Diving System has appointed Helicopter Helmet LLC, based in Florida, to import, distribute and service the Poseidon EBS “Emergency Breathing System”. The “EBS” is a compact compressed air system. An emergency air source designed to assist in an underwater egress emergency.

The system has remote mouthpiece for hands-free operations and unrestricted head movement. This system is perfect for aviators, crew and passengers who fly over water and for other applications that require an emergency breathing device.

Helicopter Helmet LLC will also serve as the Warranty, Service and Rebuild Center for the North America market. Sales to foreign operators will be on a case-by-case basis.
