L3Harris Opens New \$110 Million USD Canadian Facility to Address Growing WESCAM MX™ Product Demand

Highlights:

- Supports company's multi-year strategic growth initiative
- Increases capacity for larger program execution and improved lead times
- Expected to lead to 250 new positions over four years

MELBOURNE, Fla., Nov. 16, 2021 — L3Harris Technologies (NYSE:LHX) has [opened](#) its new \$110 million (USD) state-of-the-art facility in Waterdown, Ontario, Canada to address the growing demand for its WESCAM MX-Series electro-optical and infrared imaging technologies.

The new 330,000-square-foot facility is designed to create cross-functional efficiencies across research and development, engineering, assembly, service and office space. Currently 1,250 employees work either remotely or out of this new facility. By the end of 2025, L3Harris anticipates more than 1,500 employees will report into this location.

The investment in the new facility represents L3Harris' commitment to its global customers and partners, and employees throughout the region. The purpose-built facility has been designed to maximize efficiency and sustainability – increasing overall manufacturing over its previous capacity by 80%.

“This larger and leaner factory enables us to optimize production flow, enhancing L3Harris' ability to meet our customers' needs quicker, while increasing capacity for larger program execution and future growth,” said Sean Stackley, President, Integrated Mission Systems, L3Harris.

L3Harris' WESCAM MX systems are active in over 80 countries. Operating across air, land and maritime domains, these intelligence, surveillance and reconnaissance and targeting systems support more than 200 different platforms.

L3Harris has provided products and services in Canada for more than six decades. Working with federal and provincial governments, crown corporations and civilian industry, our technologies support complex missions in defence, public safety, commercial aviation, law enforcement and environmental/remote sensing.

About L3Harris Technologies

L3Harris Technologies is an agile global aerospace and defense technology innovator, delivering end-to-end solutions that meet customers' mission-critical needs. The company provides advanced defense and

commercial technologies across air, land, sea, space and cyber domains. L3Harris has approximately \$18 billion in annual revenue and 47,000 employees, with customers in more than 100 countries. [L3Harris.com](https://www.l3harris.com).
