## **Dallas Avionics Supports Continuing Education at APSA Safety Seminar**

(OCALA, FLORIDA, February 4, 2019) Dallas Avionics announced today that they are hosting a social event along with FLIR, and Churchill Navigation from 20:30 to 22:30, Wednesday, February 6, at the Hilton Hotel pool. There will be drinks, light refreshments, and music.

“We wanted to thank our customers for their hard work, dedication to safety and show our support for them at the APSA safety seminar,” said Dallas Avionics Southeast Regional Salesmen Todd Enloe.

All attendees from the APSA safety seminar are welcome to attend. During the safety seminar, Dallas Avionics will discuss the latest Technisonic, Jupiter Avionics, AEM, Laserdyne, Power Sonix, and RockAIR equipment.

“We appreciate the support from Dallas Avionics, FLIR and Churchill Navigation at our upcoming Ocala Safety Seminar. One of our core Association values is networking and social events such as the one they are sponsoring certainly facilitate networking amongst members. Besides the educational programs we provide, one of the greatest benefits of membership is opportunities to network with your peers,” said APSA Executive Director/CEO Dan Schwarzbach.

Dallas Avionics’ Kenny Hall serves as the Business Development Manager for the public safety sector. “The men and women that attend the continuing education sessions at APSA’s safety seminar and annual convention are the ones serving on the front lines protecting us every day. We wanted to support them, inform them about the latest updates on equipment that is available and thank them for their service. By keeping them up to date on emerging technology and products, we hope we are helping them complete their missions safely every day.”
