FOR IMMEDIATE RELEASE

TRAKKA SYSTEMS ANNOUNCES DELIVERY OF THE TOTAL SURVEILLANCE SOLUTIONS PACKAGE FOR THE SECRETARY OF PUBLIC SECURITY IN YUCATAN MEXICO

Bradenton, Florida, USA – June 23, 2020 -- Trakka USA, LLC is pleased to announce the delivery of Trakka’s Total Surveillance Solution Package in Yucatan, Mexico to support the operations of public security. The Total Surveillance Solutions Package is comprised of the TrakkaCam TC-300 Multi-sensor Camera System, TrakkaMap TM-100 Mission Management, Moving Map, and recording system, and the TrakkaBeam A800 Searchlight. The systems have been installed and are operational in multiple Latin American countries.

The Secretariat of Public Security in Yucatan, Mexico has been operating the Bell 429 helicopter integrated with the Total Surveillance Solutions Package for medical evacuations and search and rescue missions since February 2020.
“We are extremely satisfied with the positive response from the Secretary of Public Safety. Trakka is proud to support our end-user in achieving the maximum performance of the Total Surveillance Solutions Package in their day-to-day operations,” said Gerardo Castelblanco, BD-Latin America of Trakka Systems.

**About Trakka Systems**

Trakka Systems is a group of independently owned Global Aerospace Companies, whose primary focus is to design, manufacture, market, and distribute innovative and high-powered DO-160-certified critical vision solutions for airborne, maritime, and land-based operations around the world.
