COURSE OBJECTIVES: This course is FAA approved Flight Instructor Refresher Course (FIRC) followed by a one day, Train-the-Trainer Course. All of the training will be provided by a team of professional instructors from Helicopter Institute Inc. located in Fort Worth, Texas. The FIRC course is designed for flight instructors who wish to renew their current Flight Instructor Certificates under Federal Aviation Regulation Part 61, while honing their knowledge and skill with the latest developments in standards, regulations and helicopter flight instructional techniques. The Train-the-Trainer class will cover technical updates and teaching techniques on various make/models of aircraft utilized in airborne law enforcement to include Bell, Airbus, and MD products. Additionally, a block of instruction on teaching Night Vision Goggles (NVGs) and a Crew Resource Management workshop is included as well. The one-day Trainer-the-Trainer class is included in the FIRC and is free to APSA member CFI's who wish to attend the one-day course only.

Maximum enrollment: 65

INTENDED AUDIENCE: This course is intended for law enforcement certified helicopter flight instructors; however, all certified helicopter flight instructors are invited to attend.
