Confirmation of space will be sent immediately upon receipt of electronically signed contract and required deposit. APSA reserves the right to reallocate space if need be. Payment in full is due upon submission of contract for those contracts submitted after January 31, 2023. Exhibit space must be occupied solely by your organization in exhibiting your products/services at APSCON / APSCON Unmanned 2023. No exhibitor shall assign, sublet, or share the whole, or any part of, the space contracted.

BOOTH SPECIFICATIONS

The standard booth size is 10’ x 10’ (approximately 3.05m x 3.05m). Except for custom-size or island displays, the booth price in this agreement provides for installation, maintenance and removal of standard framing materials. The materials include a quality fabric, 8’ high backdrop; 42” high side divider rails; and an expertly lettered 7” x 44” exhibitor sign for each space. Although not included in the booth, carpet or floor covering is required in ALL booths in the Exhibit Hall, at the expense of the Exhibitor.

EXHIBITOR NAME BADGES

We request that all badges be ordered via our website at www.publicsafetyaviation.org. If web access is unavailable, please contact the APSA office at 301-631-2406 or bosborne@publicsafetyaviation.org.

The exhibitor badge entitles the wearer to access the Exhibit Hall only and exhibitor badges are issued only to personnel actually staffing the booth. The name of the exhibiting company, as it has been listed on the exhibit space contract, will appear on each badge. Three exhibitor badges will be provided for each 10’ x 10’ area of display space contracted, to a maximum of 30 badges. Additional badges are available for $50 each.

Exhibitors are urged to order badges in advance to avoid long lines and additional charges at the registration desk. All exhibitor badges should be ordered by June 30, 2023. Badges requested onsite, including changes to badges, will incur a $5.00 fee per badge. The registration desk is scheduled to open beginning July 17, 2023 at 8AM at Orange County Convention Center (Halls WA1-WA2 Lobby), at which time exhibitor badges will be available for pick-up.

One-day guest passes are available for your customers at $125.00 each. This would entitle the guest access to the Exhibit Hall and the educational classes for that day ONLY. Contact the APSA Headquarters to order with your Visa, MasterCard, American Express or Discover.

LIABILITY, INSURANCE & HOLD HARMLESS

In consideration for the opportunity to display services and products at an APSA Conference and Exposition, Exhibitor, its officers, directors, agents and insurers, agrees to indemnify and hold harmless APSA, its officers, directors, contractors, employees and agents and the convention facility, its governmental entity, agents and employees, from any loss, injury, suit, action or cause of action, or claim whatsoever resulting from any incident, accident, fire, theft or any claim or loss to any person claiming loss or injury, including any loss or damage to property of Exhibitor, its employees, agents, contractors, loss or injury to any manufacturer’s or convention participant’s employees, agents, guests and general public. Said indemnification and agreement to hold harmless, APSA and the convention facility, as aforesaid, shall include reimbursement for any costs, expenses and reasonable attorney’s fees incurred by indemnities. Further, any claim of damage to the property, buildings of the convention facility resulting in the immediate assessment of damages against APSA from any act or omission of Exhibitor, its agents, employees, contractors and subcontractors, shall be immediately paid or assumed by Exhibitor.

INSURANCE REQUIREMENTS

As a standard requirement for all of our show exhibitors, it is necessary for you to carry commercial general liability coverage from an A-rated insurance company in good standing with minimum policy limits of $1,000,000 per occurrence and $2,000,000 aggregate. Said commercial general liability insurance must be in force during the exhibition dates of the event, July 17-22, 2023. The Certificate of Insurance must also list as additionally insured:

- Airborne Public Safety Association, Inc., its Agents, Officers, Directors and Employees; and
- Orange County Convention Center, its Owners, Management Company, Officers, Directors, and Employees.

For your convenience, APSA has made arrangements with Rainprotection Insurance, to provide the minimum insurance requirements for just $84. Please visit https://www.publicsafetyaviation.org/apscon-apscon-unmanned-2023-orlando-fl for more information.

ADDITIONAL INSURANCE REQUIREMENTS FOR DISPLAYING AIRCRAFT

All aircraft exhibited in Orange County Convention Center for APSCON / APSCON Unmanned 2023, whether flown or trucked in, must be properly insured. Any commercial exhibitor that brings an owned, leased or borrowed aircraft to be displayed in the Orange County Convention Center, including the use of aircraft belonging to the exhibitor or any other entity, agrees to maintain insurance covering the operation of the aircraft. In addition, Exhibitor acknowledges that APSA does not maintain any insurance to cover loss or damage to any property of Exhibitor. Furthermore, it is requested that all exhibiting companies carry personal property insurance, including workers’ compensation, if applicable.

- Proof of insurance must be in the form of a “Certificate of Insurance” that identifies all aircraft, individually by serial number, stating the make, model, registration number, and owner of the aircraft. If the aircraft is owned/operated by someone other than the exhibitor, the documentation should state said aircraft will be permitted to land at or move into the Orange County Convention Center. This insurance must be in force during the lease dates of the event, July 17-22, 2023.
- Aircraft flown to Orange County Convention Center: Exhibitors flying aircraft to Orange County Convention Center must provide proof of insurance to APSA in the form of a Certificate of Insurance. This should be from the exhibitor’s insurance broker, confirming a minimum of $5,000,000 combined coverage for public liability and property damage.
- Aircraft trucked to Orange County Convention Center: Exhibitors trucking aircraft to Orange County Convention Center must provide proof of insurance to APSA in the form of a Certificate of Insurance. This should be from the exhibitor’s insurance broker, confirming a minimum of $1,000,000 per occurrence and $2,000,000 aggregate for public liability and property damage.

RESTRICTIONS

APSA reserves the right to determine the eligibility of a company or their product for inclusion in the exhibits, and reserves the right to restrict exhibits that, because of noise, method of operation, materials or for any other reason, become objectionable to APSA. APSA also reserves the right to prohibit any exhibit that, in the opinion of APSA management, may detract from the general character of the exhibit show as a whole. In such event, APSA shall not be liable to any exhibitor for any refund of exhibit fees or expenses incurred by exhibitor to exhibit. No signs will be affixed by any means to the walls, doors or any other surface in the exhibit area or seminar facility.

Subsidaries that share a parent company are permitted to share exhibit space under the following conditions:

1) If subsidiaries are sharing a 10’ x 10’ booth, the booth itself, all materials, advertisements, sponsorships, etc., will be listed under the name of the company that reserves and pays for the booth, unless otherwise instructed by the exhibiting company(ies).
2) If subsidiaries wish to have multiple company names associated with a shared booth (the booth itself, all materials, advertisements, sponsorships, etc.), the amount of booth space purchased must be, at a minimum, equivalent to a 10’ x 10’ booth space per company. To receive the member price, all subsidiaries sharing booth space must be APSA Corporate Members or the space will be charged at the non-member rate.

APSA policy firmly restricts representation of an organization that has not been assigned an official exhibit booth from soliciting business and/or distributing promotional material of any type within the exhibit area or any other areas. Further, those organizations that have been assigned an official APSA exhibit booth must conduct all business activities from within their assigned booth space and not impede traffic through the Exhibit Hall aisles or other areas. End-Cap booths are strictly prohibited. Multiple booths must be registered through the main office. All children under the age of 18 must be accompanied by an adult.
