EVENT: Droning On! FAA New England Region Public Safety UAS Workshop
EVENT DATE: September 30, 2022
EVENT LOCATION: University of Maine, Brunswick Aviation Campus, 2 Pegasus Street, Brunswick, ME 04011

Public Safety Professionals:

On behalf of the FAA Central Regional Administrator Colleen D'Alessandro, I would like to invite you to attend a **free** all-day public safety UAS workshop in Brunswick, ME on September 30, 2022. The FAA has partnered with the University of Maine, Brunswick Aviation Campus to bring you a day of public safety UAS resources and best practices to support your UAS program! Attached you will find the agenda for the event. The website for registration is here:

<https://www.eventbrite.com/e/droning-on-new-england-edition-registration-387510282687>

The event is limited to 125 guests, so please register as soon as possible. If you have any questions, please feel free to email me at the information below.

Sincerely,

A handwritten signature in blue ink that reads "Michael K. O'Shea".
