

Southeast Region Welcomes New Deputy Region Director!

“It was my recent unfortunate circumstance to accept the resignation of David Kale as Deputy Region Director,” stated Southeast Region Director Richard Bray. He went on to say, ““David served a number of Southeast Region Directors for the past 12 years and has been an active member for much longer. David has been a great help to me with recruiting and assisting with the Regional Safety Seminars. David has also helped the Audit Committee with various financial audits over the years as well. David will be missed.”

Bray noted that it was his pleasure to appoint Lt. Lee Majors of the Leon County (FL) Sheriff’s Office as the new Southeast Region Deputy Director. Lt. Majors currently serves as the Aviation Unit Commander and has been with the agency since 1985. Bray continued, “Lee is an accomplished pilot and instructor in both airplanes and helicopters and serves on many committees within Florida Region 2. He is very active in APSA and is a recognizable face at our region seminars.” The job of the Deputy Region Director is to assist the Region Director with recruitment and retention of members.
