**COURSE OBJECTIVES:** The Tactical Flight Officer Course is designed to provide aircrew members the tactical skills and information necessary to safely and successfully support ground units engaged in a variety of law enforcement missions. Although specifically designed for tactical flight officers, this course is applicable to pilots and crewmembers alike and is also a valuable course for unit supervisors.. This class is essential to the professional development of aviation law enforcement personnel and meets one of the requirements for TFO training related to accreditation.

**INTENDED AUDIENCE:** This course is specifically intended for law enforcement personnel assigned to aviation support units as Tactical Flight Officers. Flight Observers, Pilots and Unit Supervisors.
