## DELIVERY OF 2016 BELL 206L4 HELICOPTER

**WHAT:** New Helicopter for Orange County Sheriff's Office

**WHEN:** August 15, 2016 at 10:30 a.m.

**WHERE:** Orlando Executive Airport  
3534 East Amelia Street  
Orlando, Florida

On August 15, 2016, the Orange County Sheriff's Office Aviation Unit will receive a new 2016 Bell 206L4 Helicopter. The new addition will patrol the skies by mid-August after a brief period of pilot transition training. The Bell 206L4 is part of an ongoing fleet modernization project at the Orange County Sheriff's Office, and will replace a military surplus helicopter that was built in 1970. Our fleet of surplus OH-58 helicopters has served Orange County well, but they have reached the end of their useful lifespans.

Sheriff Jerry Demings will be available at 10:30 a.m. to discuss this exciting addition.
