# MSP Trooper 2 Memorial

The Waldorf Volunteer Fire Department  
Trooper 2 Memorial Fund  
3245 Old Washington Road  
Waldorf, MD 20606

Dear Friend,

On behalf of the Maryland State Trooper 2 Memorial Committee I would like to share an important opportunity for Maryland business owners, and individuals. It is the opportunity to thank the first responders who keep Maryland safe, and in particular to thank and honor the two helicopter crew members of Maryland State Trooper 2, and the Waldorf Volunteer Fire Department Medical Technician who died serving the Maryland community on September 27<sup>th</sup> 2008.

A memorial is planned for installation in Walker Mill Park, in Prince George's County near the crash site, with another smaller marker at the actual crash scene. Please refer to the enclosed flyer for detailed information.

The monument dimensions are 6.6' high by 4.5' wide, granite and bronze. Our anticipated budget is approximately forty- five thousand dollars.

Donations are urgently needed to make this memorial a lasting tribute to the sacrifice made by these brave first responders and their families. Tax deductible donations can be sent to:

**The Waldorf Volunteer Fire Department  
MSP Trooper 2 Memorial Fund
