

PRESS RELEASE – FOR IMMEDIATE RELEASE

Jay Thanabalasundrum named Metro Aviation Avionics Manager

16 DEC 2021 – Shreveport, La. –

Metro Aviation is congratulating Jay Thanabalasundrum on his new role as Avionics Manager at Metro Aviation. Jay has been serving as the interim Avionics Manager since January, but began his Metro career 23 years ago as an avionics installer.

“Jay is extremely technical, and hard-working. He is driven and dedicated to getting the job done and doing it correctly,” said Part 145 Director of Maintenance Shawn Bruton. “He spends countless hours on the phone providing technical support for our Part 135 team in the field, and we’re proud to have him as our Avionics Shop Manager.”

Metro Aviation’s completion center and repair station delivers an average of 35 aircraft annually.

###

About Metro Aviation:

Metro Aviation, Inc., based in Shreveport, Louisiana, United States is a worldwide provider of completion services for all missions and types of helicopters and specializes in the EC135 and EC145 with several Supplemental Type Certificates (STC) developed by the company for these and other aircraft. Metro is an FAA approved repair station, approved Airbus (Eurocopter) Service Center and FAR Part 135 air medical operations provider at several locations across the United States. The company is privately held and is one of the largest traditional air medical providers in the country.
