“We have close to 2,000 clients on JSSI programs, which represents a significant percentage of the business aviation market. We want to leverage this unique platform to provide a new level of value to our clients and an exclusive referral channel for our preferred vendors,” commented Joy Nebel, senior vice president, client and administrative services. “We are excited to launch this innovative e-commerce destination for our clients at EBACE and look forward to rapidly expanding the program with new industry partners in the months to come.”
