June 11, 2018 - Rheinmünster, Germany

Becker Avionics is honored to announce they have received the Platinum Premier Supplier Award from Rockwell Collins. The Platinum Premier Award is the highest performance honor for a Rockwell Collins supplier. Only 2% of Rockwell Collins' supply-chain of more than 2,500 suppliers have received this distinction.

"I would like to take this opportunity to thank the Becker team for their dedication and commitment, both in the US and in Germany, for collectively solidifying Becker Avionics' reputation as a premier avionics manufacturer and supplier," said **Luis Gonzales**, President of Becker USA. "Becker Avionics is committed to maintaining the exceptional performance that made this significant achievement a reality to Rockwell Collins and all of our customers."

About Becker Avionics

Becker is a leader in digital avionics technology. Becker Avionics is a privately held high-tech company that develops, manufactures and distributes the latest communications, navigation, surveillance and search & rescue equipment for airborne and ground operations. Becker Avionics has a long standing history of over 60 years in providing equipment to general and corporate

aviation, air traffic control, law enforcement and military organizations around the world. In order to support international market requirements, Becker has established branches around the world.
