StandardAero Wins Top Shop Award for 'Best Engine Overhaul' for the Third Year in A Row

SCOTTSDALE, Ariz. – April 4, 2025 – StandardAero, a leading independent provider of engine maintenance, repair and overhaul (MRO) services, has been voted 'Best Engine Overhaul' in the annual The145.com Top Shop Awards. This marks the fourteenth consecutive year that StandardAero has been recognized with a Top Shop Award, and the third year in a row that StandardAero has been honored with the award for 'Best Engine Overhaul.'

The Top Shop Awards honor those MRO facilities which deliver quality of service, vision, exceptional turn-around-times, competitive pricing and excellent customer relations. The awards are entirely peer driven, with 16,063 nominations and 10,867 winning votes cast this year across 30 different repair categories.

"The team here at StandardAero is greatly honored to have our commitment to customer excellence recognized through the 'Best Engine Overhaul' award for a third year in a row," said Will Pitcher, Senior Vice President – Sales, Marketing & Customers for StandardAero. "The past year has seen us continue to grow our global service capabilities through multiple milestones, including the attainment of full LEAP-1A and LEAP-1B MRO capability at our San Antonio site, and the introduction of our second CFM56-7B MRO location, at our DFW-Fort Worth International Airport facility. StandardAero's global team of 7,500 employees will continue to strive to deliver exceptional aerospace services, for over 40 different types of powerplant, and we thank everyone who voted for us in this year's awards."

StandardAero (Booth #1913) will officially accept its award at MRO Americas 2025, taking place April 8-10 at the Georgia World Congress Center in Atlanta, GA.

###

StandardAero is a leading independent pure-play provider of aerospace engine aftermarket services for fixed- and rotary-wing aircraft, serving the commercial, military and business aviation end markets.
