PRECISION AVIATION GROUP (PAG) ANNOUNCES PETER FARLEY AS CHIEF LEGAL OFFICER

Atlanta, Georgia – April 22, 2025 – Precision Aviation Group, Inc. (PAG), a global leader in aerospace and defense products and value-added services, is pleased to announce the appointment of Peter N. Farley as Chief Legal Officer (CLO). In this capacity, Farley will oversee all legal and compliance matters across PAG’s worldwide operations.

Farley brings over three decades of legal expertise, having advised companies on complex legal and regulatory issues. He joins PAG from McGuireWoods LLP, where he was a partner in the firm’s Atlanta office. His extensive legal background encompasses corporate governance, compliance, and risk management. Farley has been recognized by *The Best Lawyers in America* and *The Legal 500 United States* for his legal excellence.

Prior to his tenure at McGuireWoods, Farley served as Vice President and General Counsel for Beaulieu Group LLC, one of North America’s largest privately held flooring manufacturers. During his 12-year tenure, he reduced the company’s federal and state litigation by more than 80 percent and managed a wide range of complex legal matters, including corporate finance, tax, product liability and compliance, employment and benefits, and intellectual property. He also oversaw the company’s code of ethics, compliance program, and internal audit department.

“We are thrilled to welcome Peter to the PAG leadership team,” said David Mast, President & CEO of PAG. “His expertise in corporate governance and regulatory compliance, along with his ability to serve as a strategic legal advisor, will be instrumental as we continue our global expansion and face increasing complexity in our operations.”

Farley holds a Bachelor of Arts from North Carolina State University and earned his Juris Doctor from Notre Dame Law School, where he served as executive articles editor for the *Journal of Legislation*.

“I’m honored to join PAG and look forward to contributing to its next phase of growth,” said Farley. “PAG’s commitment to excellence, innovation, and sound corporate governance aligns with my professional values. I’m excited to support the leadership team as we advance the company’s global initiatives.”
