Helicopter Services, Inc. Secures Three Airbus H125 Helicopters for 2026 Delivery

SPRING, Texas, March 16, 2026 Helicopter Services, Inc. (HSI) of Spring, Texas, has announced the purchase of three Airbus H125 helicopters scheduled for delivery in 2026. The aircraft will be offered for completion and sale to operators across a range of mission profiles.

The Airbus H125 remains one of the most versatile and widely used single-engine helicopters in the industry, supporting missions such as public safety, mosquito abatement, utility operations, aerial firefighting, private/VIP transport, and other specialized applications.

“Securing these delivery positions allows HSI to better support operators seeking the proven performance and versatility of the Airbus H125,” said Michael Crossland, General Manager of Helicopter Services, Inc. “HSI is pleased to continue strengthening our relationship with Airbus Helicopters.”

HSI will offer mission-specific completion options at its Spring, Texas facility prior to delivery.

HSI is an authorized partner for numerous top brands, including **Airbus, Garmin, HeliTowCart, Genesys Aerosystems, FreeFlight Systems, StartStick and Avidyne.**
