StandardAero Voted As ‘Best Engine Overhaul’ in Top Shop Awards for Fourth Year in a Row

This is the Fifteenth Year in a Row that StandardAero has been Recognized with a Top Shop Award

SCOTTSDALE, Ariz. – April 20, 2026 – StandardAero (NYSE: SARO), a leading independent pure-play provider of aerospace engine aftermarket services including engine maintenance, repair and overhaul (MRO) and engine component repair, has been voted ‘Best Engine Overhaul’ in the annual [The145.com](https://www.the145.com) Top Shop Awards. This marks the fourth year in a row that StandardAero has been honored with the award for ‘Best Engine Overhaul,’ and the fifteenth consecutive year that StandardAero has been recognized with a Top Shop Award.

The Top Shop Awards honor companies that drive innovation, embrace cutting-edge technologies, and provide unparalleled customer support within the aviation maintenance sector. The awards are entirely peer driven, with 11,175 nominations and 6,021 votes cast this year across 50 different repair categories.

“StandardAero is honored and privileged to have been recognized with the ‘Best Engine Overhaul’ award again this year,” said Rebecca Lane, Senior Vice President, Global Sales – Commercial Engine Services for StandardAero. “This award reflects the focus on customer satisfaction held by every one of StandardAero’s 8,000 employees, and our commitment to delivering exceptional aerospace services to operators worldwide. It’s encouraging to see those organizations that help set the benchmark for excellence in our industry – both big and small – recognized through these accolades, and we thank everyone who voted for us in this year’s Top Shop awards.”

StandardAero (Booth #1911) will officially accept its award at MRO Americas 2026, taking place April 21-23 at the Orange County Convention Center in Orlando, FL.
